AMIS MARCHEURS IVOZ

FIN

The background of the image is a seamless pattern of stylized scallop shells. Each shell is depicted with concentric, wavy lines in shades of blue and black, creating a sense of depth and texture. The shells are scattered across the white background, some pointing towards the viewer and others angled away. In the center of the image, the word "FIN" is written in a large, bold, blue, sans-serif font. The letters are slightly shadowed, giving them a three-dimensional appearance as if they are floating above the shell pattern.
